Week 6
AUG14-18

Max. saving \$3072!

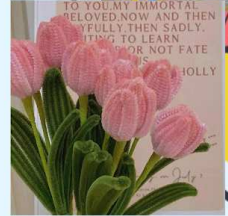

A.M. Session: 10am - 12:30pm | P.M. Session: 2pm - 4:30pm

Academic - 1 Hour (Select 1)

- English** - Immersive learning experience on exploring -
 - Daily Use of English** - Engaging in **real-life scenarios** (e.g. ordering food, making appointments) to develop children's **effective communication skills**
 - Chit-Chat English** - Being able to speak **fluently** and **naturally** on a variety of **everyday topics**
 - JEI English** - Comprehensive practice including **grammar** and **reading comprehension** to construct a solid foundation at own pace
- Math** - **Individually paced step-by-step** learning program which covers from Pre-K to Secondary 3 level (applied to the curriculum of both Local & International Schools)
- Chinese** - Strengthening the usage of language by **theme-based learning approach**, which is able to expand the **vocabulary bank** and improve **reading skills** effectively

Leisure - 1 Hour (Select 1)

1. **Spanish 101** - Introducing students to **basic Spanish vocabulary** and **grammar**, including common nouns, verbs, adjectives, and sentence structures
2. **Creative Arts*** - Making various art pieces to inspire kids' **creative minds**, **sense of color matching** and **using different types of materials** (e.g. Fuzzy Wire, Decoupage Art, Turkish Mosaic Lamp)

3. **Visual Illustration*** - Engaging kids in **visual storytelling**, inspiring them by **styles and features** from the **art pieces of different famous artists**, e.g. Takashi Murakami, Kusama Yayoi, Kaws, Rokkaku Ayako, Pop Art, etc. Kids can be able to **visualize their imagination** by refining the steps of illustration

*Note: Students will bring their own aprons if needed.

Social & Emotional Learning- 20mins (compulsory)

Engaging a series of compact SEL activities with kids. SEL is one of the **21st Century skills** that helps develop **self-awareness, self-control, and interpersonal skills** that are vital for **school, work, and life success**. The research clearly states SEL leads to **positive outcomes**, including **better academic performance**, and **decreases in stress and anxiety**.
